Louvers are installed into the door body with the purposes of allowing air to pass through. Due to the evenly spaced blades of the Louvers, visibility is not a function of the project. However, air flow between one side of the door to the other is an added function of the Louvers over the Lite Kit.

Louvers can be custom ordered to specific sizes. The ranges of sizes of lite kits included in this HPD are 6"x4" / 0.15M x .10M (smallest) to 36" x 72" / .91M x 1.82M (largest). These are typical sizes, however customers can order sizes outside this range. Based on customer orders, the average lite kit size is 25" x 25" /.635M x .635M.

National Guard Products offers powder coating (optional colors) to customers with their louver purchases. Options, such as colored powder coating, are not considered in this HPD.

The HPD Standard is solely a declaration of product content and direct health hazards associated with exposure to its individual contents. It is not a full assessment of environmental impacts from the life cycle of this product. It is not an assessment of risks associated with actual use of the product. It does not address the potential health impacts of substances used or created during manufacture that do not appear in the final product as residuals, nor substances created during combustion or other degradation processes.

This Health Product Declaration was generated following the requirements of the noted Standard version and is valid for a total of three years after date of issue or three months after a substantive change of product contents occurs. Users should verify that this Health Product Declaration is compliant with the most current version of the HPD Standard. Accuracy of claims made in this Health Product Declaration is the sole responsibility of the listed manufacturer and certifier (if applicable). The HPD Collaborative does not warrant any claim made herein, explicit or implicit. The HPD Standard is an “open standard” developed and managed by the HPD Collaborative, a nonprofit organization. For more information, visit hpdcollaborative.org.

**CONTENT IN DESCENDING ORDER OF QUANTITY**

All ingredients must be assessed for health warnings against Priority Hazard Lists, regardless of disclosure level. Priority Hazard Lists and information on the GreenScreen Benchmarks can be found at www.hpdcollaborative.org/hazardlists.

**GS**: GreenScreen Benchmark; **RC**: Recycled Content, **PC**: Post Consumer, **PI**: Post Industrial (Pre-consumer), **BO**: Both; **Nano**: comprised of nanoscale particles or nanotechnology

**Notes**

- **ALUMINUM**: 7429-90-5 93 % LT-P1 BO N Component of aluminum gasketing options.
- **ENDOCRINE**: TEDX: Potential Endocrine Disruptor
- **RESPIRATORY**: AOEC: Asthmagen (ARs) - sensitizer-induced - inhalable forms only
- **FLAMMABLE**: EU H-Statements: H228 Flammable solid
- **REACTIVE**: EU H-Statements: H261 In contact with water releases flammable gases

**ZINC**: 7440-66-6 2.4 % LT-P1 U N Component of aluminum gasketing options.

- **ACUTE AQUATIC**: EU H-Statements: H400 - Aquatic Acute 1 - Very toxic to aquatic life (also in EU R-Phrases)
- **CHRON AQUATIC**: EU H-Statements: H410 - Aquatic Chronic 1 - Very toxic to aquatic life with long lasting effects
- **FLAMMABLE**: EU H-Statements: H250 Catches fire spontaneously if exposed to air
- **REACTIVE**: EU H-Statements: H260 In contact with water releases flammable gases which may ignite spontaneously
- **RESPIRATORY**: AOEC: Asthmagen (ARs) - sensitizer-induced - inhalable forms only

**Silicon**: 7440-21-3 1.8 % LT-U U N Component of aluminum gasketing options.

None found

- **None found**: No warnings found on HPD Priority lists

**MAGNESIUM**: 7439-95-4 1.5 % LT-U N N Component of aluminum gasketing options
**FLAMMABLE**
- EU H-Statements: H250 Catches fire spontaneously if exposed to air

**REACTIVE**
- EU H-Statements: H260 In contact with water releases flammable gases which may ignite spontaneously

NOTES
In an effort to promote further transparency in the marketplace, National Guard Products has also made available a corporate sustainability report and environmental product declarations for all of our Gasketing, Thresholds, and Lite Kits and Louver products. These documents are available at NGP.com for download. Please contact Roger Skold (rogers@ngp.com) for additional information.
